THE STORY

The Rosmini College Senior Premier Basketball Team are the current and back-to-back Secondary School National Champions. After a stellar 2018 regular season, the team won the national final 114-62 downing St Patricks College Kilbirnie to win the championship for the third time in the school's history.

The team has since been invited to represent New Zealand at the International School Sport Federation (ISF) World School Basketball Championships to be held on the island of Crete in the Greek Islands in April 2019!

ROSMINI IS OFF TO GREECE IN APRIL 2019

It will be the first time a Rosmini sports team will represent the College at an international sporting championships and only the second time a New Zealand team has been to the ISF Basketball Championships. It will be a great send off for this very successful team, many of whom have been playing together since they were in Year 8 & 9.

With an opportunity of a lifetime in front of our players and families, we have been busy organising various fundraising events and activities. However these initiatives will not get us all the way to our goal of raising \$80,000.

We are therefore seeking sponsorship from any family, business or organisation that wants to get behind this great team and be a part of our journey to the World School Basketball Championships. Big or small, your contribution to the team would be greatly appreciated and we can't wait to represent you on the court in Greece!

SPONSORSHIP PACKAGES
